NOTES FROM THE TRAIL BOSS

The Aug. 15th shoot went well. The weather was nice. And now it's time to move on to the Big Event – Heluva Rukus! See ya there!

AUG MONTHLY SHOOT

August 15th was an (almost) perfect shooting day. Instead of being sunny, hot and sticky, it was comfortable, mostly cloudy and temperate (70s). The weather looked a bit threatening much of the day, but, thankfully, the real rains held off 'til the shoot was over. A total of 72 shooters joined in the fracas, slinging lead on six action-packed and fun-filled stages. Again, in addition to NY, most of the New England states were represented (CT,

VT, RI, NH, MA). We were particularly happy to have a couple of new shooters with us for the first time this month, including a Buckaroo, Al B. Crazy.

The stages this month must've been a bit easier than usual – or else everyone is really getting focused in preparation for Heluva Rukus. At any rate, there were more clean shooters and fewer P's than normal.

When the gunfight was over and the smoke cleared, the following cowpokes were left standing. Congrats to:

HR PACKET STUFFING

Tues., Sept 7th, at 7:00 PM, we will stuff the shooters' packets for Heluva Rukus. This is a major undertaking, so we can use a lot of help! We'll be putting labels on nearly 300 envelopes and filling them with the Shooters Handbook, a name badge, dinner tickets, etc. Then we'll be alphabetizing them into boxes for registration. We'll also be filling the same number of HR '10 canvas "possibles" bags with all the brochures received from our sponsors and vendors. It should only take an hour or two, and it's actually quite fun – a whirlwind of activity in the clubhouse as 15-20 people work in assembly-

line fashion. Please come and lend a hand!

3 to 4 guns. Call for prices (518- 945 3218).

CKR PRACTICE NIGHTS

Just a reminder that the last CKR practice night of the season will be on **Tuesday, Aug. 31st**. A couple of new shooters were brought into the fold this summer and were given a lot of sound advice and good tips on CAS equipment, shooting techniques and safety. Other more experienced shooters took advantage of the opportunity to hone their skills or to try out new guns or ammo. Many thanks to Rowdy Bill (and his assistant, Annabelle) for holding these weekly sessions for our club members. Practice nights will resume next spring.

HAPPY TRAILS!
