NOTES FROM THE TRAIL BOSS

You can tell it was a long winter. Cabin Fever was intense. It had to be -- we had 93 people show up at our March Cabin Fever Shoot/Pot Luck Dinner/Cowboy Swap & Sell Event on Sunday, the 30th. Everyone was ready to shoot, but with that storm on Friday, our range wasn't the best. The cowboys set up under the practice shed. They set up 2 stages, and most of the cowpokes shot, both new shooters as well as the veterans. Some, like me, stayed up at the clubhouse. I mainly helped people set up tables to sell or trade their goods, leftovers and such. I also scoped out all the great food. There were lots of good deals on the side tables, as well as lots of good conversation about what had happened to everyone over the winter. The shooting started around 10:00 am. Afterwards we had to find a truck that

wasable to haul targets that were frozen in ice. (Thanks, Black Hands!!) The cowboys wanted to shoot; they were slowed but not stopped. Around 1:00 pm, everyone had shot their fill, and it was time to fill the shooters. There was corned beef, pot roast, meatballs (4 different kinds), 2 kielbasa dishes, beans, chili, a meat and cheese platter, zita, chicken enchiladas, and chicken wings, along with mac and cheese, macaroni salad, pasta salad, broccoli salad, bread, and rolls that would compliment any dish. Then, of course, there were the desserts – pies, cookies, cakes, ice cream, brownies, etc. My, oh my, what a dinner! If anyone went away hungry, they didn't eat enough, but we sent them packing with all they could carry out.

While everyone was eating, I told them that Cowboy Gun Works would be our new Match Sponsor for Heluva Rukus 2008. I also explained that Wednesday, April 16th, we would put together the mailing packets for HR 2008. Afterwards we will have a meeting to discuss what we have to do to get ready for the shoot on the 20th and also discuss what we have to do to

get ready for the upcoming year and HR '08.

Questions were raised about practice nights and RO training. These dates and times will be set as soon as Rowdy Bill and Annabelle get back from Florida.

All you shooters are encouraged to take the RO1 and RO2 training. Also, those of you who have taken RO2 should attend this class as a refresher as many rules have changed or been modified. Practice nights will be determined by weather and daylight because the ranges that are used have no lights.

Hope to see you in April and no snow...

Smokehouse Dan

CKR WINNERS AT OTHER MAJOR SHOOTS

Winter Range, the SASS National Championship, was held March 6-9, 2008, in Phoenix, AZ. There were just over 600 shooters in attendance, including a number of our CAS pads from New York and New England.

A big "Congrats" to CKR member, **Peddler Jack**, who

returned home sporting a nice new buckle for 9th Place in the Senior Duelist category. And it was his first time at this event, too. Way to go!!!!

SASS RO TRAINING

Rowdy Bill and Annabelle will be holding a SASS RO 1 and RO 2 course at the CKR in the near future (date TBD). They will also be conducting RO 2 training at the MA/CT/RI Tri-State Shoot in Harvard, MA, on May 29th and at the Great Nor'easter (New England Regional) in Pelham, NH, on July 24th. If you are interested in taking any of these classes, please contact Annabelle at 518-877-7834 or via email at annabelle69@juno.com.

CKR PRACTICE NIGHTS

Weather permitting, Rowdy Bill plans to start running Tuesday practice nights (**FOR CKR MEMBERS ONLY**) beginning April 22nd. Practice will run from 5-7 PM in the berms at the far left end of the range (HR stages 2-4). This is a great opportunity to try out new CAS firearms or new ammo, improve your shooting techniques, and get advice and shooting tips from experienced shooters without having to do it at a monthly competition. If anyone can get there a few minutes early to help with setup, that would be great! See ya there!

Happy Trails!
