HELUVA RUKUS 2007

Heluva Rukus 2007 is now in the history books. The NY State Ladies champion is Annabelle Bransford, NY State Men's champion is Cartwheel, and Heluva Rukus Top Gun is Splinter Jack. Congratulations to you and all class winners. I want to thank all those who attended this event. It was great to see everyone again. This event seems to grow every year. You couldn't help but notice all the campers in the trap fields.

We must thank our Match Sponsor, Kirkpatrick Leather, for helping out again this year. And not forgetting all our other sponsors, a big 'Thank You' to them as well. We must thank Smith & Wesson, US Fire-Arms, EMF and Gardall Safe for their help. Because of their gifts, we raised \$1,000 for the Fire Dept. and another \$1,000 for the SASS Scholarship Fund. Thank you to all the cowpokes who donated as well. The money means a great deal to both parties.

I would like to thank all the Circle K personnel who helped all weekend, and even all those who were not members. You all did a superb job. Thank you! A special congratulations to Lone Star Jake and The Dude Bandit for receiving their SASS Regulator badges. Both of these cowboys deserved this award, and I was proud to give it to them.

As I said in my opening and closing statements, when you are out and about at other SASS events, please thank our sponsors. This is important for their continued support in the future. They must know that we appreciate their support at our shoots. Just stop by and tell them 'Thank you'. Better yet, buy their products, and say 'I am buying this because you support cowboy action shooting'.

Thanks again, everyone. It was a great time, and I hope everyone enjoyed themselves.

Smokehouse Dan.

P.S. Watch for Annabelle's article on Heluva Rukus in an upcoming issue of *The Cowboy Chronicle*.

CKR PRACTICE SESSIONS

The CAS season is almost over in our area and it's getting dark early now, so we've shut down our Tuesday night practice sessions 'til next Spring. But we want to thank Rowdy Bill for all his time and effort running the practice nights this year. Many CKR members have benefited from his tips on how to improve their shooting.

Happy Trails!
