NOTES FROM THE TRAIL BOSS

Well, the season has come to an end. Nov. 14th we had our last cowboy shoot. The weather was good for Nov. 42 shooters came out to shoot. We posse'd up into 2 groups and shot 5 stages straight through, then went in to eat lunch. The Greenfield Lions had a great lunch. Some people went straight home after shooting but missed a great feast. There was some chili and some beef stew which did a good job of warming us up. But then they brought out some pies and apple crisp with whipped cream topping. MMM, Mmm, GOOD!

We had another good season. We will have our annual dinner at Ravenswood Tavern in Clifton Park on Saturday, Feb. 12. Lonestar Jake and Ms Sharon will be taking care of the arrangements. They will let us know the price and particulars at a later date.

I want to thank all the Circle K people and their families for their support of our Cowboy Shooting Club. Having talked to many people from other states and clubs, I have found out that this is the one thing our club has over most. We have a great bunch of people that work.

Just a reminder that club dues are now due. They must be paid by Jan. 31st. If you have any questions on your dues, call me. I will help where I can.

Have a safe and happy holiday season.

See you in Feb. at the dinner. The Cabin Fever Shoot/Pot Luck dinner is March 27th, so make sure to call Doe Dancer to let her know what you are bringing (phone: 518-885-3758)

NOV. MONTHLY SHOOT

Wow! Two nice November shoots in a row! Such a deal! From 65 degrees with 44 shooters in '09, we went to 58 degrees and 42 shooters in '10. It was a great way to end the season.

Rowdy Bill had written 5 fun-filled stages utilizing all

permanent props and buildings, which made setup and teardown a breeze. The gang decided to try something a little different this month, opting to shoot straight through and THEN head to the clubhouse for a great (albeit late) lunch prepared by the Lions Club

There seemed to be an inordinate number of equipment and ammo problems at this shoot, but everyone persevered, making it through to the bitter end, although oftentimes with a heluva lot more misses than they'd have liked. Nov. is always a kinda laid-back shoot. Some folks decided to try a new shooting style this month, too, including several who shot their last stage as "outlaws", shooting from the hip! You might be able to pick them out if you check the scores closely on Stage 5 – generally longer raw times and more misses, but oh, so much fun, they said!
