NOV. CKR ROUGH RIDERS MATCH

Following setup on Nov. 9th, 10 folks gathered to participate in an action-packed Rough Riders match. Originally there were to only be 4 stages this month, but the gang was having so much fun that they simply refused to stop shooting. In an effort to appease them, Whiskey Brooks made up a 5th stage on the fly, and rest is history.

Congrats to **Whiskey Brooks** who took 1st in Open and Top Overall and to **Suggs Jr.** who finished 1st in Modern.

NOV. CKR CAS MATCH

On Nov. 10th, a total of 30 cowboys and cowgirls joined us for the last CKR monthly shoot of the season. A new shooter, Sky Ryder, was welcomed into the fold this month, shooting both RR on Sat. and CAS on Sun. Nothing like jumping in with both feet! Yeehaa! Hopefully, he is now hooked and will return to sling more lead with us next year.

Unfortunately the weather on Sun. was nothing like last year's beautiful Nov. shoot. Cold temps and early rain showers undoubtedly affected the turnout for the day. Then a

heavy rain during the shoot put a further damper on the event. It wasn't until things were winding down for the day that the sun finally peeked thru. Sigh! Nevertheless, the shooters seemed to enjoy this final opportunity of 2013 to throw some lead with their CAS pards at the CKR.

Rowdy Bill was back as stage writer (but not shooter) this month, so the stages were what we have come to expect from him. Shooters could breathe a sigh of relief as they checked out the targets. Whee! Those nasty snakes and buzzards were nowhere to be seen! LOL! The cowpokes only shot five stages this month in an effort to ensure completion at a reasonable hour (i.e., before sunset!). All stages were shot straight through with no break for lunch. A nice hot lunch was then served in the clubhouse after the match was over.

When the smoke cleared and the day drew to a close, the following gunfighters were left with braggin' rights 'til next spring:
