NOV. CKR ROUGH RIDERS MATCH

We had a great turnout for our final Rough Riders match of the season on Nov. 5th. The weather was very nice with temps rising into the mid-50s and a good bit of sunshine. It was actually one of our largest RR shoots of 2016. A total of 17 shooters took advantage of this one last chance to compete using their 1911s before the winter weather sets in, sending us all inside for the next 5 months. We were especially pleased to have long-time CAS pards, Big Sky Di and Stick-Man Tom, decide to join us for RR for the 1st time. Hopefully they enjoyed it and will be back with us again next year.

The Dude Bandit once again managed to come up with five fun-filled, and action-packed stages for the competitors. There were not quite as many clay bird poppers/throwers as usual (thank heavens), but there were a lot of smaller targets in play, along with plenty of knockdowns/knockups, and some downright tough rifle

shots. All-in-all, it was a great way to finish out the RR season.

Congrats to the following shooters who get RR bragging rights 'til next April:

ROWDY BILL – Top Gun & 1st Men's Modern

Wheels Cartwright – 1st Men's Traditional

Whiskey Brooks – 1st Open

Annabelle Bransford – 1st Ladies Modern

And Dude can rest easy over the winter knowing that we STILL don't have any clean RR shooters, but a couple of shooters did manage to come pretty darn close this month. Oh well, I guess there's always next year!

NOV. CKR CAS MATCH

On Nov. 6th, 32 cowboys and cowgirls joined us for the last monthly CAS shoot of 2017. Annabelle's stage stories all started with the line "Brrr, it's cold", and she was dead on with her prediction – at least for the first three or four of the five stages. It finally started warming up just about the time the shooting was done for the day, but hey, it's November, so what do you expect?

Rowdy took it easy on folks for the season's last match, with quicker and less complicated stages than usual. All five stages were shot straight through with no break for lunch, and everyone was done for the day by 1:30 or so. A nice hot meal was then served in the clubhouse after the conclusion of the match. Many thanks to the cooks!

When the smoke cleared, the following gunslingers were left with CAS bragging rights 'til next Spring. Congrats to:

THANKS!

At this time of year, it is very
appropriate to give thanks, so
with that in mind...

Many thanks to the Boy Scouts
of Troop 54 who served as brass
pickers for us all season. They
did a tremendous job and
undoubtedly saved a lot of
shooters from having to make
trips to the chiropractor to fix
their backs! Thanks, too, to
Scout Wrangler and Jim R. for
all their work in "rounding up"
the necessary boys to help us
out and keeping them organized
and supplied with whatever they
needed to stay safe and get the
job done.

Many thanks as well to our club
members who gave their all to
see to it that the CKR had
another successful year! We
could never hold the numerous
high-quality events we do
without the ROs that make sure
we all shoot safely and the setup
and building crews that make
sure all the stages are set up
properly each month and that
we have all the props we need
to make our events stand out. A
very special thanks to Rowdy
Bill for his outstanding
CAS/HR stages and The Dude
Bandit for his always fun and
challenging RR/WB scenarios –
again, so far beyond what you
come across at other clubs. And
thanks as well to all those non-
members who helped us out in
various ways throughout the
season and/or who just joined
us for the fun each month. We
look forward to another big year
in 2017. Until then, may you
all have a happy holiday season
and a safe and healthy new
year. See ya in the spring!

**HAPPY
HOLIDAYS!**
