SEPT CKR ROUGH RIDERS MATCH

It was nice to once again be able to get out of the elements and use the clubhouse for registration for our CKR matches this month.(using masks and/or social distancing, of course). The shooters were also thrilled to be able to have the Boy Scouts at the RR match to help with brass picking for the first time this year.

We had a good turnout for the Sept. 19th Rough Riders match with a total of 24 shooters taking advantage of a final opportunity to hone their skills

in preparation for the upcoming “big event”. We were pleased to welcome a new RR shooter to the fold, long-time CAS shooter, Gunsmoke Gus. Although the morning started out a bit chilly for Sept., the day turned out to be simply gorgeous for slinging lead with bright blue skies and temps making it into the mid-60s.

Once again, The Dude Bandit offered up five fun-filled and action-packed stages to challenge the competitors. There were plenty of clay birds, the carousel mover, and the straight-line mover to contend with this month. Unfortunately, there were no clean matches, but that’s certainly nothing new for RR/WB! Everyone left with a smile on their face, and that’s what it’s all about!

Congrats to the following folks who get bragging rights for a few weeks:

TOP GUN – Hawkeye Harry
Ladies Modern – Renegade Roper (& 2nd overall!)
Men’s Modern – Suggs Jr.
Men’s Traditional – Hawkeye Harry
Open – The Dude Bandit

After the match, many of the shooters helped Roy and Violet Cassidy celebrate their 50th

wedding anniversary at a lovely get-together in the clubhouse.

HAPPY 50TH ANNIVERSARY, ROY & VIOLET CASSIDY!

AUGUST CKR CAS MATCH

Sept. 20th dawned chilly once again, but as the day progressed, the sunshine and blue skies made for perfect shooting weather. (It’s always nice to be able to dress in true cowboy attire without dripping in sweat, right?)

We had a so-so turnout with 38 shooters joining in the fun. Unfortunately, the Boy Scouts were not allowed to assist since we weren’t sure where we would stand as far as reaching

the 50-person max on site restriction. As it turned out, we came VERY close to 50, with a couple of spouse/scorekeepers assisting the posses and numerous spectators wandering around checking out the action. This just shows the importance of utilizing shooter pre-registration until the restrictions are lifted, so don't forget to email Annabelle Bransford (annabelle69@juno.com) a week or so in advance of the monthly matches to secure your spot!

Many thanks to Lone Star Jake for providing the shooters with five interesting stages, again putting our two movers to good use. The three posses were finished before 2 PM. Such a deal! A special thanks to all those who helped with setup on Friday, re-set on Saturday afternoon, and/or teardown on Sunday.

At the end of the day, the following gunslingers were left standing.

Congrats to:

TOP GUN – Hawkeye Harry (beating out Renegade Roper by a mere .23 second!!!)

Young Gun – Wandering Walter Weatherby

Duelist – Sixgun Schwaby

Ladies Wrangler – Renegade Roper

Wrangler – Suggs Jr.

Gunfighter – Hawkeye Harry

MUSTER AT FT. MISERY UPDATE

We have had a couple of spots open up for Muster at Ft. Misery, so if you are interested in competing, contact Renegade Roper right away (email: dischena6@gmail.com). We will have the same food vendor as last year serving breakfast sandwiches and lunch. The Boy Scouts will be there to pick brass. We will be selling raffle tickets for a Ruger pistol and other valuable prizes (Heluva Rukus 2021 free shoot, \$250 gift certificate towards purchase of a Rugged Gear guncart, Mernickle items, etc.) throughout the weekend. And don't forget that we need help with setup on the Thurs. and Fri. prior to the match.

GUN SHOW HELP NEEDED

A gun and knife show is being held at SafeShoot Shooting Sports Complex, 10 Kieffer Ln., Kingston, NY, on Oct. 3rd and 4th (9 AM – 5 PM Sat., 9 AM – 3 PM Sun.). There will be a SASS table there with our CAS pard Major E. A. Sterner being the primary person in charge. HOWEVER, he could really use some help, so if there is

anyone who can help with manning the SASS table for a while either day, please contact him. Anyone doing so will be allowed into the show free. SASS clothing is preferred, and if you have a NY state pistol permit, you can wear your unloaded pistols if desired. Info on Facebook can be found at: <https://www.facebook.com/even ts/766180994118799/>

If interested, e-mail the Major at: majer357@gmail.com. This is a great opportunity to help spread the word about our beloved sport!
